Viafix ready to use straight from the bucket

Add water in dry conditions to start the curing process

Compact by hand

Open to traffic immediately

Viafix is simple and easy to use even in wet and cold conditions and permanently fixes potholes and defects on all classes of carriageway.

Viafix offers skid and rutting resistance equivalent to that of hot materials.

No special preparation is required; simply remove any loose material and standing water from the damaged area. Viafix will massively reduce spend, risk and congestion due to defects.

- One visit permanent fix
- Works in all weathers
- Hot material performance
- Solvent free
