

# VIATEC IRONBOND

**Ironbond** products cover a range of bedding mortars and quick set backfill concretes to cover all footpaths and carriageways for fast reinstatement to BS EN 124, DMRB HD27/15, DMRB HA104/09 standards.

**Ironbond 60** – HD27/15 Bedding Mortar

**Ironbond HS** – HA104/09 Bedding Mortar

**Ironbond R** – HA104/09 Resin Bedding Mortar

**Ironbond FS** – HA104/09 Backfill Concrete

**Ironbond** products are suitable for use in the installation, raising and reinstatement of ironwork. They are also ideal for bedding kerbs and emergency repairs. They are manufactured from a controlled blend of specially selected aggregate, cements, and additives.

For more details please contact Viatec UK on 01761 415804. Free product demonstrations are available on request.
